Sir:

The Notice of Allowability dated July 20, 2006 shows no indication what the allowed claims are or whether the drawings filed with the application on February 26, 2004 are acceptable in light of the February 10, 2006 Office Action objecting to the drawings and Applicant's response filed April 21, 2006. In a telephone conversation with Examiner Williams on August 17, 2006, it was confirmed by Examiner Williams that the allowed claims are claims 1, 3-11, 14 and 32-34. Examiner Williams also confirmed that the Reply to the February 10, 2006 Office Action filed April 21, 2006 overcame the objection to the drawings.

Examiner Williams indicated that a Supplemental Notice of Allowability was not necessary. Accordingly, Applicant believes no response is required to the Notice of Allowance unless informed in writing to the contrary.

Should there be any questions concerning this communication, please telephone the undersigned at the telephone number set forth below.

Respectfully submitted,
FLESHNER & KIM, LLP
